

**PUBLIC MEETING NOTICE**  
**TOWN OF MIDWAY LAND USE PLAN**

Dear Resident,

Please join us for a public input meeting on Tuesday May 25<sup>th</sup> at Midway United Methodist church. The meeting will begin at 6:30 p.m. with a presentation by the Town's planning consultant. Following the presentation, you will have the opportunity to provide input into the development of the Town's first Land Use Plan. This plan will help guide the future growth and development of the Town of Midway, and its recommendations will be utilized to prepare new land use regulations for the Town. Your input is vital to making this plan a success. Please join us and contribute your ideas for this vitally important effort. Residents who are unable to attend the evening meeting may come to the church during the day on Tuesday from 12:00 until 5:30 to provide input to the consultants.

Interested residents will be able to follow the development of the plan at future Town Planning Board Meetings. When the draft plan is completed, the Planning Board will hold another public meeting to present the plan and receive feedback from the community. Further information about the plan will be posted by the consultant online at <http://midwayplan.blogspot.com>.

Midway United Methodist Church is located at 9795 Old US Highway 52. If you have any questions, please contact Ryan Ross, Town Administrator at (336) 764-5455.
